MIDWAY MW724TA2

Midway concession trailers are specifically designed and built for concessionaires. Pace has been building quality custom game, food, vending, and ticket booth trailers for years.

Standard features include dust-proof sidewall construction, independent torsion suspensions with trailer rated radial tires, aluminum roof, LED exterior lighting, and much more make Midway your best choice.

When it comes to customizing your Midway trailer, Pace delivers. Hundreds of options are available for plumbing, electrical, and custom cabinetry. All are designed specifically for concession or vending to give you the equipment your business needs.

Pace has a long reputation for making quality trailers. A Five Year Limited Warranty, professional customer service, and a nationwide dealer network offering sales, service, and parts keep you rolling long after the sale.

Compare any other manufacturer from design to resale time and it won't be hard to see why Pace American is the best choice in quality vending trailers.
