### OUTBACK OB612SA

There are many low-priced cargo trailers on the market, but only OutBack is built by Pace American, the nation's leading manufacturer of enclosed trailers.

Sized for easy towing, OutBack models by Pace are designed for the entry-level, light-duty cargo hauler looking for a quality trailer at an affordable price.

Pace builds OutBack trailers to last with standard features like an EZ-ride suspension, all-steel frame construction, and thick plywood floors.

OutBack is backed by Pace's reputation built on over 20 years of experience and a written 3-year limited warranty. Pace American offers superior customer service thanks to a nationwide dealer network of over 400 dealers offering sales, service and parts so you'll never be stranded.

When it comes to buying an economical cargo trailer, OutBack will put you out front.
